and Communication Activity

COCA Call Announcements contain all information subscribers need to participate in COCA Calls. COCA Calls are held as needed.

The graphic for COCA Learn features a green background. On the left, there are four circular icons: a blue circle with a white speech bubble, a red circle with a white stethoscope, a green circle with a white syringe, and an orange circle with a white biohazard symbol. To the right of these icons, the text 'COCA Learn' is written in large white letters, and 'CDC Clinician Outreach and Communication Activity' is written in smaller white letters below it.

COCA Learn
CDC Clinician Outreach
and Communication Activity

Monthly newsletter that provides information on CDC training opportunities, conference and training resources, the COCA Partner Spotlight, and the Clinician Corner.

The graphic for Clinical Action features a red background. On the left, there are four circular icons: a blue circle with a white speech bubble, a red circle with a white stethoscope, a green circle with a white syringe, and an orange circle with a white biohazard symbol. To the right of these icons, the text 'Clinical Action' is written in large white letters, and 'CDC Clinician Outreach and Communication Activity' is written in smaller white letters below it.

Clinical Action
CDC Clinician Outreach
and Communication Activity

As-needed messages that provide specific, immediate action clinicians should take. Contains comprehensive CDC guidance so clinicians can easily follow recommended actions.

COCA Products & Services

COCA Digest
CDC Clinician Outreach
and Communication Activity

Monthly newsletter that provides updates on emergency preparedness and response topics, emerging public health threat literature, resources for health professionals, and additional information important during public health emergencies and disasters.

COCA Now
CDC Clinician Outreach
and Communication Activity

Informs clinicians of new CDC resources and guidance related to emergency preparedness and response. This email is sent as soon as possible after CDC publishes new content.

CDC's primary method of sharing information about urgent public health incidents with public information officers; federal, state, territorial, and local public health practitioners; clinicians; and public health laboratories.

Join Us on Facebook

The screenshot shows the Facebook profile for COCA (CDC Clinician Outreach and Communication Activity). The profile picture features a diverse group of healthcare professionals. The page header includes the COCA logo, which consists of the letters 'COCA' in white on a blue background, with four colored icons (microscope, stethoscope, syringe, biohazard) below it. The page name is 'CDC Clinician Outreach and Communication Activity - COCA' with a verified badge, and the handle is '@CDCClinicianOutreachAndCommunicationActivity'. Navigation tabs include Home, About, Posts, Photos, Events, and Community, with a 'Create a Page' button at the bottom. The main content area shows a 'Status' section with a text input field and a 'Posts' section featuring a post from October 31, 2017, about a free CE event. On the right, there is a 'Sign Up' button, location information for Atlanta, Georgia, and statistics showing 21,420 likes and 21,217 followers.
